

For The Nervous Woman,

Or the woman who experiences hot flashes nothing is so good to soothe, quiet and calm the nervous system as a pure glyceric extract of native medicinal plants, and made without alcohol, which has been sold by druggists for the past forty years, and most favorably known as Doctor Pierce's Favorite Prescription. In younger years some women suffer from dizziness, or fainting spells, hysteria, headache, bearing-down feelings and pain. All these symptoms of irregularity and female disturbance are relieved by the use of this famous "Prescription" of Doctor Pierce.

As a powerful, invigorating tonic "Favorite Prescription" imparts strength to the whole system, and in particular to the organs distinctly feminine. For over-worked, "worn-out," "run-down," debilitated teachers, milliners, dressmakers, seamstresses, "shop-girls," house-keepers, nursing mothers, and feeble women generally, it is an excellent appetizing cordial and restorative tonic.

"My disease was called retroversion," writes Mrs. Lydia McConaughy, of Missouri, Mo., Route 1. "I had nervous chills and numbness, and they would leave me very weak. Then I had inflammation and a doctor said I had a floating kidney. I doctored seven months with no result. He said I would have to have an operation. After I stopped taking his medicine. After taking three bottles of Dr. Pierce's medicines I have not had any nervous chills or weak spells. I am better than for years."

"My daughter is now taking the 'Prescription' and Dr. Pierce's Golden Medical Discovery, also the 'Pellets' for nervousness and weak, tired feeling. These remedies have helped her ever so much in a short time. We have great faith in your medicines for female troubles."

Mrs. McDonald. Dr. Pierce's Pleasant Pellets induce mild natural bowel movement.

I learned of Doan's Kidney Pills and procured a supply at Shugars & Tanner's Drug Store. This remedy entirely relieved me and restored my kidneys to a normal condition."
